Growing & Gardening

"It's gardening season ... I've sat on the sofa for eight weeks now and I've grown quite a lot".

This was a social media post I came across recently. As a selective armchair gardener with a quirky sense of humour it initially made me smile, but soon a deeper level of meaning emerged.

I began thinking about what kind of 'growing' lockdown could have produced in us? Some may have grown frustrated, more fearful, worried or lonely with each passing week. Some may have grown super powers of multitasking, while simultaneously working from home and educating their children! Some may have grown by slowing down and noticing - the beauty of the natural world around us perhaps or the generosity of fellow humanity.

Paradoxically, growth can happen when we are restricted in some way. Jesus helps explain this in gardening terms when he says "I am the true vine, and my Father is the gardener. He cuts off every branch in me that bears no fruit, while every branch that does bear fruit he prunes, so that it will be even more fruitful".

While lockdown may have felt frustrating and fruitless for us, looking back we might see some positive areas of growth, not only in ourselves but in society and the world around us.

As I write this it's unclear when and how we will return to the "new normal".

WORTH PARISH COUNCIL

NEWSLETTER - MAY 2020

Chairman's Report

There is a saying going around on social media – we are not in the same boat; we are weathering the same storm – which I think is very apt in the current circumstances. The Covid-19 pandemic and subsequent lock-down is affecting people in different ways; some are coping fine with the restrictions, others are not managing so well.

By this I mean not the general irritants of not being to get eggs or flour, but dealing with issues relating to lack of social contact - not being able to see children or grandchildren, not being able to go the coast to enjoy the sea and sunshine, not being able to attend that club, or play that sport. This is especially difficult for those who live on their own. If you are in this situation, please do not hesitate to contact the Crawley Down Support Network via the CDRA, details of which are below; there is always someone who can help.

My own children (and grandchildren!) are grown up now, but I do think about those parents who are facing the difficulties of not only working from home but trying to keep their children entertained and educated whilst doing so. Do not be too hard on yourselves; spending family time together is to be treasured.

For those young people whose exams have been postponed or cancelled, please try not to worry. All your friends are in the same situation, and your teachers will be doing their utmost to help and advise you once you are back at school. For those applying to university, there is lots of information and guidance on the UCAS website.

One of the heartening and moving things for me has been the way the community has come together to help each other, neighbours helping one another, volunteers helping the most vulnerable, people looking out for each other. On my daily exercise people are talking together from a distance encouraging each other and exchanging ideas of ways they have adapted to get us through this difficult time.

I would like to say a big thank you to the shop staff in the villages; they have been fantastic ensuring we have what we need and are doing a very difficult job, especially in the early days of the lockdown.

Together we will get through this, hard as it is at the moment.

Elaine Ancomb, Chairman

Crawley Down Support Network (see page 1)

The Crawley Down Residents Association is co-ordinating Covid-19 support in the village. If you are self-isolating, are in one of the vulnerable categories, or just need some help and support,

you can contact them on 01342 886115; more information can be found at www.CDRA.info. Thank you to all the volunteers giving up their time to help others.

Worth Parish Council

At its meeting on 16th March, the Parish Council decided to suspend all Council meetings until further notice. An emergency protocol was agreed, which can be viewed on the website www.worth-pc.gov.uk, to ensure the efficient ongoing management of the Council.

There are no plans at present to hold virtual meetings; if this changes, information will be published on the website and on noticeboards as usual.

The Annual Parish Meeting or Electors meeting scheduled for 6th April was cancelled; this may be held later in the year.

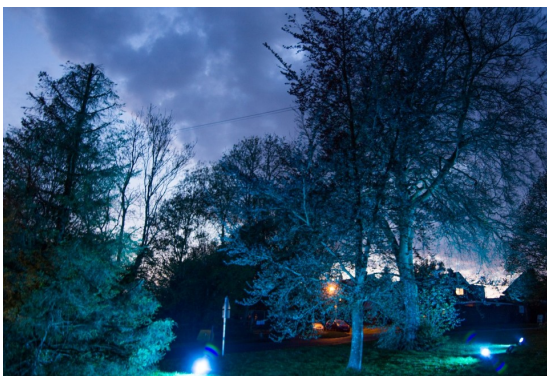

The Annual Council Meeting scheduled for 4th May was cancelled. This is the meeting at which the Chairman and Vice Chairman of the Council are elected for the coming year, plus Chairmen and Vice Chairmen of Committees. This may be held later in the year; in the meantime the current Chairmen/Vice Chairmen remain in post.

Office staff are working from home. John, the Crawley Down groundsman, is doing his rounds as usual whilst observing social distancing and enhanced hygiene precautions.

Phone Answering Service

Telephone calls to the Parish Council Office are currently being dealt with via an answering service. You will be asked if you wish to contact the Council, or the Village Support Group. Once your

details have been taken, these will be emailed to the relevant organization, and someone will call you back.

NHS Blue Light Tribute

Thank you to local resident Creative Spark Services Limited who, with the permission of the Parish Council, installed blue flood lights on the Village Green as a tribute to NHS staff and other health care professionals.

ALL SAINTS' CHURCH ANNUAL GIFT DAY

You may be reading this as one of the many who visited All Saints last Christmas - perhaps the Carol Service or on Christmas Eve, attending the traditional Crib Service which proves so popular for families and visitors. Or you may have had reason to visit the church for a baptism, wedding or funeral, or have been a visitor at Easter or another special Church festival.

Whether you live close enough to All Saints to hear the church bell, or are a passer-by or visitor to the main churchyard, we hope you will want to help secure our continued presence in our village.

Obviously the annual Gift Day in May had to be postponed, but we are hoping to be able to organise a date around Harvest later in the year.

In the meantime, if you would like to make a donation to the maintenance and upkeep of All Saints' Church and to help secure our continued presence in our village, please follow the link to All Saints' donation page donate.allsaintscrawleydown.org. Alternatively, you may contact Kerry Scott on 01342 712213 or email warden2@allsaintscrawleydown.org

COPTHORNE CHAPEL

Chapel Lane, Copthorne, West Sussex, RH10 3ET

Since lockdown we have been busy keeping in touch by phone, checking everyone is okay and getting all the help they need from family and friends. Pastor Gordon Hamilton has been busy sending out sermons, bible readings and hymns, either by post or on-line, and we aim to study them at 10.30am on Sunday mornings.

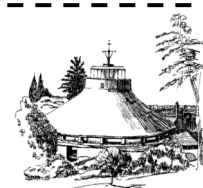

In fact, other chapels and churches of the Connexion have been following these "virtual" sermons which has brought us all together at this difficult time. They can be accessed on our website cophornechapel.org.uk.

Like all places of worship, we are of course looking forward to opening our doors once again and meeting each other in person.

Our 198th anniversary should take place on the 14th July and it would be lovely to celebrate in style if we are able.

Celia Smart, Secretary

WORTH ABBEY NEWS

At the time of writing, Worth Abbey, as with other places of worship, remains closed and parish based activities are temporarily suspended.

The liturgy from the Abbey is all being streamed (sound only) at Worth Abbey Live Streaming www.worthabbey.net/spiritual-resources/liturgy-live-streaming. The weekly parish magazine "In Touch" is available on the parish web site at www.worthabbeyparish.co.uk

We hope and pray that, as the current situation improves, church services will resume and we can again look forward to coming together to worship and reconnect with our friends in the parish.

Sadly, Father Bede, one of the monks at Worth Abbey has recently died. As Parish Priest at a time when there was a weekly Mass at All Saints, he regularly presided at Mass. He was a highly respected man with a generous heart and was a good friend to many people in Crawley Down. He will be much missed.

CRAWLEY DOWN EVENING WI

June/July 2020

Although the Evening WI members are not meeting physically at this time, they have held their first virtual meeting which, although rather chaotic, was great fun.

In support of our members, everyone is being contacted at least once a week by a member of the Committee to ensure that they have everything they need as well as to enjoy a friendly chat. Our Facebook site is another way we are able to keep in touch. The amount of creative activity that our members are involved in is quite amazing and when we are eventually able to meet again in person, we will bring our completed articles along so that all our members can admire them.

If you would like to join one of our virtual meetings during this period of lockdown, please contact Jan Albury (President) on 01342 713926.

CRAWLEY DOWN MONDAY CLUB

It has been three months since we held our last gathering, seems like an eternity. To say that we miss everybody is an understatement, but the one thing that makes it worthwhile is the knowledge that you, our friends, are safe and being well cared for.

Our Club is no different than many others that have not been able to hold meetings, social contact with others is so very important in so many ways.

We will not be able to resume any activity before 1st July and even then it will raise some difficult problems, but we will do everything in our power to enable us to function again as soon as we possibly can but with safety being of the uppermost importance.

In the meantime please stay safe, stay well and look after yourselves, just remember that we look forward to seeing all Members and Volunteers again as soon as we are able.

We miss you.
